Dear FMS families,

Spirit week at FMS was filled with fun and creativity!

Children picked out their outfits with help of their friends and adults. Here are some pictures for you to enjoy:

Parent - Directress Conferences:

Enclosed with this memo you will find a note indicating the time for Parent-Directress conference for Primary and Elementary children. If you need to reschedule your assigned time for the Parent Directress Conference meeting please contact the office. Make sure to arrive on time for your appointment to maintain the schedule for following conferences. Each family is assigned 20 minutes with directress per child. A follow up meeting can be set up at the time of conference if necessary.

Child care is available on Thursday, November 10 during conference time if requested in advance. No childcare is available on Friday, November 11.

Pre-Primary conference sign-up:

Ms. Lauren has emailed a Google document to all her parents to sign up for the conference time. Please review it and sign-up as she will be meeting with her parents on Tuesday, November 8 and Wednesday, November 9. You may email her or contact the office if unable to access the document.

Observations in the classroom:

Many parents have signed up and have come to observe in the classroom. It is a great way to have better understanding of the information you will receive at the Parent-Directress conference next week. Parents who have not attended Parent Night for "Montessori at Home" are encouraged to call and set up the time for observation. We have only a few times available before the conferences.

We have received **valuable feedback from parents** who have observed recently. Many have mentioned that if a child comes in late to the classroom, it takes them longer to get started and it disturbs the class to some extent. All parents are requested to arrive at school before 8:30 AM so your child and others can have a productive day at school.

Career Day at FMS: November 4, 2016

FMS will have Special Guest Presentations for FMS Career Day on Friday, November 4. If you would like to come and share information about your career with our children contact your child's directress to arrange a time that would fit into your busy schedule.

Our Parents Committee is discussing several ideas for Children's Art Show on November 20. We will update you in coming days with the details. Anyone interested in Joining the Parents Committee, even if they cannot come to the in person meeting may contact Ms. Lauren at ms.laurenfms@gmail.com

We are very grateful to **Flossmoor Fire Department** for bringing the Fire House to FMS on Fall Fun Day. Children experienced what to do if they are at home and a fire starts. They were on the simulator that gets filled with imitation smoke and are instructed on how they can get out safely. The children got to experience different scenarios of how a fire starts and what to do in that situation

Thank you for signing up for ClassNotes.

We have started sending notes and reminders home using ClassNotes.

If you have not received the email with Password and Username please contact office or email the support team at support@primets.com.

This memo will be available on ClassNotes.
