Dear FMS families,

Our Directress are looking forward to meet parents on during **Parent – Directress conferences**. Prepare specific questions and share them during your conference time to strengthen the learning skills for children at home and in their Montessori environment. Please remember to arrive on time so that we maintain the schedule for the following conference appointment. Each child is scheduled for 15 minutes of conference time and 5 minutes for the Directress to take & review her notes. All children should be picked up by 11:30 AM on Thursday at the time of early dismissal. Child care will be available on Thursday during your scheduled conference time. There is No School on Friday.

Career Day at FMS

We were very appreciative to the Parents who came out and spoke to our children about their careers on November 4, 2016. It was amazing to watch our children listen with curiosity and participate in the question and answers. Thank you again for taking time out of your busy schedule to share information and educate our children on real life experiences beyond school.

Please make a note that Children's Art Show has been postponed at this time to have more time for planning and preparation. If you have any great ideas or suggestion please share with Ms. Lauren as she has been working with group of parents as part of parent committee.
